MARIACHI DIVINAS : A Small Biography

The world of Mariachi is traditionally known to be dominated by all male groups. This custom held true until recently. During the past 20 years, there has been an uprising to the concept of an all female mariachi band. Bands such as Mariachi Reyes De Los Angeles and Mariachi Divas have appeared on the professional stage. This is a trend that has mainly made its home in the city of Los Angeles. Though as of

DULCE - 1st Violin

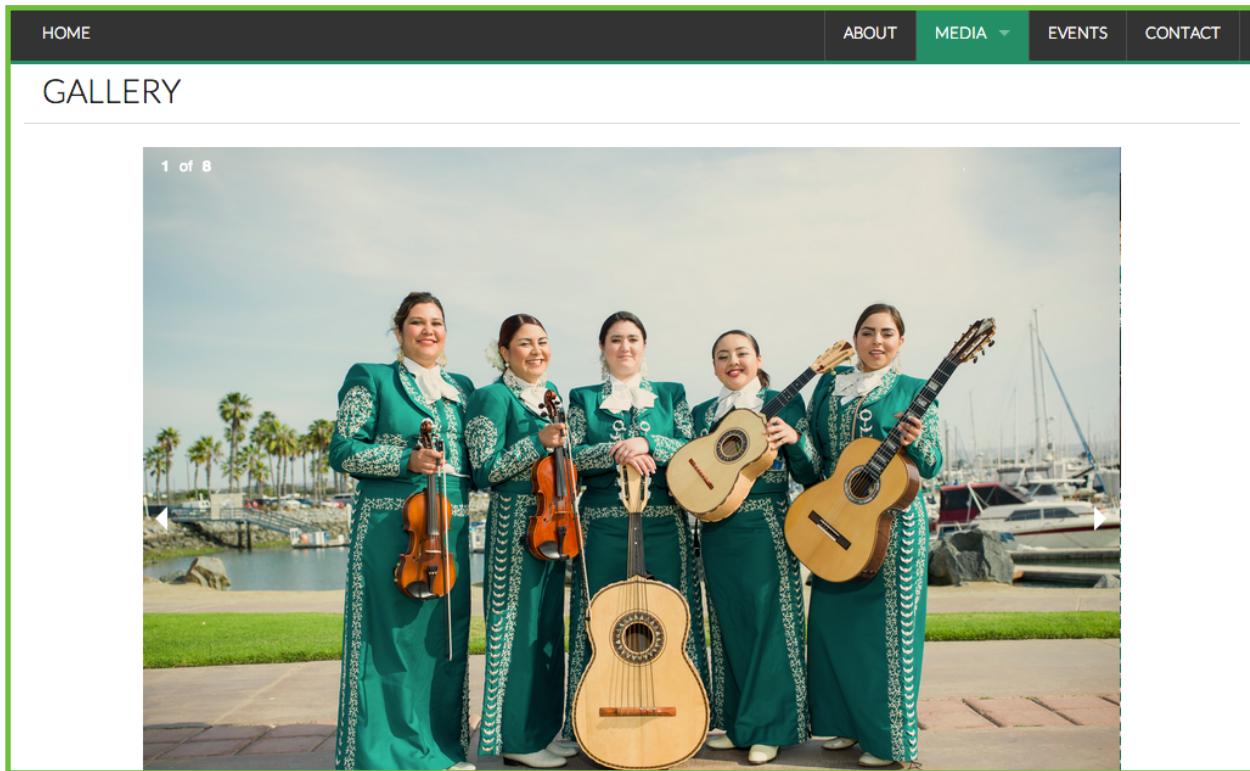

As founder and director of Mariachi Divinas, Dulce has dedicated her life to her group. In a difficult search for all female musicians, she found the help of her long time school friends. Under her guidance, the group has grown to be a well-known mariachi in San Diego and beyond.

With over 10 years of musical experience, Dulce is currently working towards her degree in music from Southwestern College. Under the tutelage of the famous Jeff Nevin, she continues to grow as a student and professional musician.
